HELLO CAPTAIN

Thank you for your purchase at Pig&Hen, we know you are going to wear this like a true boss...

Before you are going to rock this bracelet, here are a few tips and tricks.

Make sure you keep your shackle tight, otherwise you are going to lose your pin and your life. You can wear this bracelet night and day, it loves salt water and sun. But if it does get a little smelly like the sailor you are, wash it at 30 °C or ask a deckhand to help you out. It would be great to see some pictures of you conquering the world wearing your new treasure so make sure you tag your pics with #pigandhen.

But most of all, wear it with pride!

All the best,

Dominic & Rutger
Team Pig&Hen

HOW TO WEAR

PUTTING IT ON IS EASY

1. Put the bracelet around your wrist.

2. Turn the shackle 90 degrees and put it through the open eye.

3. Push the pin through and screw it in, make sure your pin is secure!

4. Turn the shackle back.
